Prototype available on request.

Overview

Streets & Sidewalks is a tile-laying game for two players. Take turns placing hexagonal tiles while trying to complete loops of your style line, either a street or a sidewalk. At the same time, you must prevent your opponent from doing the same. Score points for each tile in your completed loops, and the player with the most points after the last tile is placed wins!

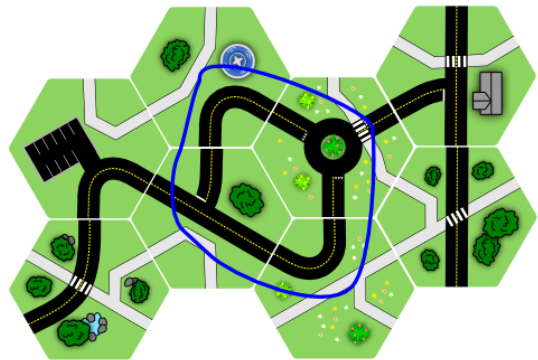

Figure 1 A completed street loop (circled in blue).

Key Points

1. 2 players.
2. For ages 6 and up.
3. Plays in approximately 15-20 min.
4. Simple rules
5. Tile laying and hand management mechanics.
6. Abstract strategy with some chance (randomly draw tiles to create your hand, then play 1 of your 5 tiles).
7. Low price point (37 tiles and 2 screens).
8. Tested with/appeals to casual & hardcore gamers as well as kids.
9. Art designed to provide a beautiful tableau at the end of the game.
